Mike and Millie

We would like to share a story from Mike, the husband of one of our Residents at St. Peters.

“The recreation team at St. Peter’s Residence continue to do an incredible job. I normally see Milli everyday. One of the recreation staff arranged for Milli to call me and I was able to tell her

that I loved her. Milli does not often call me by name and she said 'Hi Mike' into the phone.”

“It brought me comfort talking to her and knowing she knew it was me. I know she is being well cared for.”
